In-Office  
Treatments &  
Packages**

## Radio Frequency Treatment (RF)

**Radio Frequency** uses energy waves to regenerate collagen-rich layers of the skin and meibomian glands. RF also warms the meibomian oils, returning them into a liquid consistency, allowing you to make your own natural tears. RF can also help with fine lines and wrinkles around the eyes.

**Forma-i RF of Eyelids:  
\$325**

4 treatment package  
(Save \$100): \$1200

## Deluxe Package

Includes **4 sessions of Radio Frequency (RF)** treatments around the eyes and **4 sessions of IPL** for eyes only or eyes & full face; performed on the same day
